Dear Ms. Best:

On 6 November 2018, the office of the Information and Privacy Coordinator received your 5 November 2018 Freedom of Information Act request for the following records: **documents mentioning the alleged assassination plot against President Marcos, which CIA received documents on via the Vice President in 1973. The President subsequently asked that the matter be examined, and it was referred to both CIA and FBI per LOC-HAK-296-7-11-4.**

Our officers will review your request and will advise you should they encounter any problems or if they cannot begin the search without additional information or clarification. We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily. We will search for CIA-produced records up to and including the date the Agency starts its search. In accordance with our regulations, as a matter of administrative discretion, the Agency has waived the fees for this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Allison Fong", with a long horizontal flourish extending to the right.

Allison Fong  
Information and Privacy Coordinator
